Located in beautiful downtown

Morro Bay, the Art Center has been the heart of the arts in this community for the past 60 years. While helping to develop an appreciation for art, the Art Center boasts one of the largest gallery spaces on the Central Coast.

The Art Center manages Art in the Park, the Morro Photo Expo, and is home to many art related events during the year, including public shows, children's art, and the annual Scholarship Show, which features SLO County high school and college student artists.
